

Urban Forestry

Wednesday, April 17, 2024 · 1–3 pm · **FREE**

VSU Randolph Farm Pavilion, 4415 River Rd, Petersburg, VA

Urban forestry is the care and management of single trees and tree populations in the urban setting to improve the urban environment. Learn about the importance of urban forestry and best management practices in Virginia. Discuss resources and tools developed by the USDA Southeast Climate Hub and various partners to manage climate-smart forestry in urban areas.
